TEAM SPONSORSHIP

Team sponsorships provide participants with a shirt to wear for the duration of their program and keep once the program is completed. Your businesses logo will be placed on the shirt, as well as on league schedules, the WS Park and Rec website, brochure and other seasonal promotional material.

In-House Team

Participants practice, perform or play games against each other within the Village of West Salem. Multiple sponsor artwork is placed on the backs of t-shirts for the entire league.

Semi-Traveling Team

Participants practice, perform or play games against other teams within the Village of West Salem, Holmen, Onalaska, and La Crosse. Multiple sponsor artwork is placed on the backs of t-shirts for the entire league.

Traveling Team

Participants in these programs travel to other area communities including: La Crosse, Holmen, Onalaska, La Crescent, Bangor, Sparta, Tomah & Caledonia. They may also participate in tournaments across the state of Wisconsin.

In order to fully cover all of our programs and teams, the West Salem Park & Rec reserves the right to use your donation where it is most needed for teams/sports without sponsorship or when programs already have sponsors determined.

Donations for entire league/program sponsorship will be given priority when assigning sponsorships. Returning sponsors will be given first opportunity to retain their sponsorships of specific programs as long as they are received before the program's sponsorship deadline.

GENERAL SPONSORSHIP

If you are interested in sponsoring with the West Salem Parks and Recreation Department, but don't have a specific program or event in mind, use this opportunity to give to our general fund and we will use the money for a program or event in need!

BANNER PROGRAM

We are offering businesses the opportunity to advertise their company's logo with a banner placed on the back of a dugout at Riverview Park. The West Salem Park & Rec. Dept. hosts two to three baseball tournaments annually. Currently we have thirteen traveling baseball teams and six traveling softball teams of our own who play games at Riverview. Additionally, our academy soccer program uses this space for their practice and game site in the fall. This means your banner will be seen by thousands of fans over the course of the year.

The banners will be installed late spring and remain in place through early fall.

Each banner will be made of chloroplast and will measure 3x5 feet.

SPECIAL EVENTS

Each year the West Salem Parks and Recreation Department hosts a handful of FREE community events for the Village of West Salem. It is our goal to use these free opportunities to bring the public together and strengthen community ties in the Village of West Salem. Participation by attendance allows your business the opportunity to access potential and current customers, while sponsoring with a donation allows our department to offset the cost of providing quality events at no cost to participants. Details for each of the following special events will be made available once we get closer to each date. If you are interested in receiving additional information on special event sponsorships, please let us know by checking the appropriate box(es) below.
