

Special Exception for Dumpster Location Request

Application Date:

Permit Number (from Dumpster application)

Village Code of Ordinances Section 5.12(B)(7) states: No Dumpster or refuse container may be placed on South Leonard Street from Hamilton to Elm Street unless there are extenuating circumstances. Dumpsters and refuse containers must normally be placed behind any South Leonard Street residence and/or business between Hamilton and Elm Street. If there is an extenuating circumstances that a dumpster or refuse container cannot be placed behind such residence or business, a Special Exception for Dumpster Location Request form shall be completed by both the owner of the property and any contractor requesting the dumpster permit and said form shall be submitted to the Village Board for consideration and determination.

Pursuant to said Ordinance, this request is submitted along with an Application and Permit for Dumpster/Refuse Container and made in order to place a dumpster/refuse container in the public right-of-way in front of: _____.

Applicants request to place a dumpster/refuse container on Leonard Street because of the following extenuating circumstances (describe in details: work being done, types and quantities of material to be placed in dumpster, who will be using dumpster, work schedule, and why dumpster cannot be placed somewhere else):

Property owner and Contractor acknowledge and agree that is a Special Exception is granted, under NO circumstances shall a dumpster or refuse container be placed on South Leonard Street from Hamilton to Elm Street for more than fourteen (14) days. Both Property Owner and Contractor who violate the provision of this Section 5.12(B)(7) shall each be required to forfeit One Hundred (\$100.00) Dollars. Each day's continuance of such violation shall constitute a separate offense and another One Hundred (\$100.00) Dollar fine.
