2 2025 Village of West Salem Guidelines for Yard Waste/Twigs, Branches, Leaves, Christmas Trees, Large Items, Tires, TVs & E-Waste

Refuse will be picked up weekly on Mondays and Tuesdays. Recyclables are picked up bi-weekly. Please refer to the map on page 3 to see your day of collection. **Refuse and Recyclables must be placed in the carts from Hilltopper Refuse and Recycling Service Inc.** These are the **ONLY** containers that are picked up. Carts have a 10-year warranty from the manufacturer. If they lose a wheel, if the lid comes off, or other "normal" repairs, the cart will be repaired or exchanged by Hilltopper Refuse and Recycling Service. There is no cost to the resident for these types of "normal" repairs. **The carts have an identification number and are to remain at the address assigned.**

Additional Refuse

Refuse set beside the cart, put out in bags or a can, **will not be collected.** You can wait and put the extra refuse in the cart for the next collection, or haul it yourself to the La Crosse County Landfill or Hilltopper. Both charge a small fee for disposal. If you intermittently have additional refuse, you may purchase stickers from Hilltopper for additional bags of refuse. These stickers must be paid for in advance, placed on the bag, and set next to your cart for pickup. If you find you need more than one cart, contact Hilltopper Refuse and Recycling at 783-6727 and make arrangements to have an additional cart delivered. There is an additional annual charge for the second cart. You will be billed directly by Hilltopper.

Refuse Unacceptable To Place In Cart

- Refuse must be in refuse cart**
Loose refuse will not be collected. Please read additional refuse section for more information.
- Remodeling/demolition materials**
Items include, but are not limited to, roofing, plumbing, multiple windows, sheetrock, brick, concrete, asphalt, bathtubs, shower enclosures, and lumber. Please make arrangements with a private rubbish hauler for disposal of such material. For disposal of glass doors or windows, contact Hilltopper Refuse & Recycling at 608-783-6727.
- Hazardous materials**
Cleaners, solvents, gasoline, oil, or other toxic, corrosive, explosive, or highly combustible materials may not be placed in the regular refuse. Refer to the reverse side for which hazardous materials are accepted at the La Crosse County Household Hazardous Materials Facility. If in question, call the facility for a recommendation at 608-785-9999.
- Vehicle oil and batteries**
Return to service stations or authorized dealers. Hilltopper also accepts batteries. A fee may be charged. Also accepted at La Crosse County Household Hazardous Materials Facility.
- Vehicle parts**
Vehicle parts and other metal weighing 10 pounds or more will not be collected. Take such items to a salvage yard.

Large Article Pickup

Large article pickup service is not provided by the Village of West Salem. Residents must contract on their own for collection or disposal. If your large article is something that someone else could benefit from, consider Habitat for Humanity Restore, 608-785-2375.

Please check your local yellow page listings for Refuse Collectors.

The La Crosse County Landfill has a citizen drop-off site at 6500 Hwy 16 also. See front cover for additional information. There is a small fee for large articles at drop-off.

TV's, Appliances & E-Waste

TV's, appliances, computers (desktops, laptops, notebooks, tablets), desktop printers (including those that scan, fax, and/or copy), computer accessories (including monitors, mouse & keyboards, scanners, hard drives, speakers, flash drives, modems), DVD players, VCR's, DVR's, fax machines and cell phones. Residents can take these items to the following places:

1. Please check your local yellow page listings for Refuse Collectors and/or Recycling Centers.
2. La Crosse County Landfill (608-785-9999)
3. Habitat for Humanity Restore (608-785-2375)

Fire Hydrant Flushing (----- on calendar)

Fire hydrants will be flushed **April 14-18** and **September 15-19** During this time **rusty or discolored water may be noticed, which is only temporary.**

Christmas Tree Pickup

Christmas trees are collected curbside during the **month of January only.** Please remove tinsel, ornaments, lights, etc. Trees placed in bags will not be picked up.

SNOW/ICE REMOVAL NOTICE: All sidewalks shall be cleared of snow and ice within 24 hours after the snow ceased to fall or within 24 hours of the formation of ice, and cause the same to be kept clear from snow and ice, provided that in case the snow shall continue to fall for some time, it shall be removed as soon as practicable after it has ceased to fall and provided that when the ice formed upon any sidewalk so that it cannot be immediately removed, the person herein referred to shall keep the ice sprinkled with salt, an ice melt product, or sand. No person in the course of removing snow or ice from any private property shall cause or permit the snow or ice to be placed or left on any public way, including any public sidewalk or roadway. (Ordinance 5:04(J))

ALTERNATE SIDE PARKING: November 1 to April 1 Please follow the alternate side parking rules per Ordinance 6.05 (D)(E), so our Public Works Department can safely plow and clear streets after a snowfall.

No other notices will be sent. If the Village finds that a sidewalk is not in compliance, you will be charged for removal each time snow or ice is removed from the sidewalk by Village employees according to the provision set forth in Ordinance 5.04(L). Your cooperation is appreciated!

Yard & Garden Waste VILLAGE RESIDENTS ONLY

The Yard and Garden Waste Disposal site is located on West Avenue North, just north of the Village Garage. Bags, containers and pots must be emptied and removed from the site.

The following materials may be left at the yard waste disposal site, **in the designated areas listed below only, at any time during daylight hours. This area is for your convenience. Please do not abuse it by not following the regulations, leaving household refuse or other unacceptable items. This site is monitored by security cameras and violators will be ticketed.**

Yard Waste Site		Tree Limbs/ Brush Site		Wood Chips
Acceptable	Not Acceptable	Acceptable up to 6"	Not Acceptable	FREE chips for Village residents
Grass/leaves	Ashes	Limbs	Stumps	Do NOT place anything in this pile
Garden Waste	Nails			
Sod/dirt	Wood/lumber	Branches	Roots	Compost
Wood Chips	Rocks/bricks	Brush	Root balls	FREE compost for Village residents
Stump grindings	Refuse bags			Do NOT place anything in this pile

No person shall permit grass clippings from mower swaths to remain upon sidewalks, street pavements, gutters of any public street, or on abutting property not owned or occupied by said person. Placing these items in the gutter may create problems with our storm water system and may cause a backup. VIOLATORS WILL BE TICKETED.

Tree Limbs & Brush (○ on calendar) VILLAGE RESIDENTS ONLY

Brush chipping is a service to Village residents and is to be used on an occasional basis such as spring cleanup and/or storm damage. The service is not to clear woods, remove large trees or clear building sites. It is not for larger properties with many trees to use on a constant basis. Properties repeatedly using this service will be notified that their brush will not be chipped.

The Village collects tree limbs and brush curbside on the 1st and 3rd Tuesdays of each month from April through October. Tree limbs and brush may not be placed on any boulevard for regular Village pickup more than 5 days prior to the scheduled pickup date. Violators will be ticketed for littering on public right-of-way. (see calendar opposite). Please follow these guidelines:

- Brush must be cut less than 12 feet long and cannot be thicker than 6 inches in diameter. **Disposal of brush in excess of 6 inches diameter is the homeowner's responsibility.** Branches shorter than 24 inches and less than 3/4 inch in diameter should be taken to the yard waste disposal site.
- Brush and tree limbs should be placed curbside no later than **7:00 am on collection days**, and must be neatly stacked with stems pointing in one direction. Tree limbs and brush may also be bundled tightly.
- Residents are allowed to place **2 piles no more than 12 feet long by 4 feet high for scheduled pickups. Disposing of tree limbs and brush in excess of this amount is the resident's responsibility. If a resident hires a private tree service to assist with brush clearing, the tree service is responsible for disposing of the material. The Village of West Salem DOES NOT allow private tree services to use the Village disposal site.**
- Tree stumps, roots or shrubs with intact root balls will not be collected and disposal of such is the responsibility of the resident.

Preparation & Transportation

Residential Drop-Off Hours

Monday – Friday (year-round): 8:00 a.m. – 4:00 p.m.
1st and 3rd Saturdays (April – October): 9:00 a.m. – Noon

Businesses and organizations by appointment only.

Fees apply to all items for residents who live outside of La Crosse County.

FREE PRODUCT REUSE ROOM!

Over 80,000 pounds of useable household products are sorted and made available to the public in our Reuse Room annually. All items are free, but donations are appreciated. The Reuse Room is open Monday – Friday from 8 AM to 4 PM. The Reuse Room is located on the east side of the landfill office building, directly adjacent to the HHM Facility.

Safe Transportation of Hazardous Materials

1. Never mix chemicals.
2. Bring items in original containers or clearly mark contents. Tell facility technician if you are unsure what is in a container.
3. Tighten all covers and lids.
4. If a container is leaking, pack it separately in a leak-proof pail or tub.
5. Avoid spills. Place waste containers upright and place securely in the trunk or back of a truck or van. Do not transport waste containers in vehicle passenger areas.
6. Gasoline should be transported in a designated red safety container.
7. Motor oil should be transported in a durable and leak-proof container labeled with the words "Used Oil."
8. Tape the terminal ends of batteries with clear tape to prevent arcing. Do not co-mingle batteries with chemicals.
9. Transport fluorescent bulbs securely to avoid breakage. Do not tape bulbs together.
10. Upon arrival, pull under the HHM canopy and remain in your vehicle with the engine shut off.

3202 Berlin Drive • La Crosse, WI 54601

Sharps & Needles

- Needles, syringes, auto-injectors (EpiPens) and lancets must be transported in sealed, puncture-resistant containers.
- Container options include a standard red sharps container or a thick plastic laundry detergent bottle with screw on cap. All containers must be labeled with the word "SHARPS."
- Additional sharps collection sites can be found on the Alliance to HEAL website.
- For after-hours service, a red sharps drop box is located on Berlin Drive at the La Crosse County Solid Waste Department entrance. This drop box accepts single-use needles as well as small sharps containers. (see map above)

Use By Businesses & Organizations

The La Crosse County HHM Program is available to assist small businesses and organizations with their hazardous material disposal needs. For more information, call us at (608) 785-9999 or visit our website to download a VSQG qualification packet.
