

Pickleball Rotation System

Court Full / Players Waiting

- Individuals waiting to play together will place their paddle in the paddle rack **starting from the left**.
- When your turn to play arrives, remove your paddle from the rack and move the indicator to the next waiting group before going to your court to play.
- Do NOT move another's paddle on the rack for any reason without their permission.

Court Time Limitation

- Court time is limited to one (1) game-to-11, win-by-2.
- Please limit warm-up time to five (5) minutes.
- Exit the court quickly upon completion of your game to allow the next group to begin their game.
- To continue playing, place your paddle back in the paddle rack.

When Four (4) or Less Players Waiting

- New players may challenge in groups of two (2).
- Winners stay on for up to two (2) games before rotating off.
- Singles play is permitted.

When Five (5) or More Players Waiting

- Rotate four (4) players off, four (4) new players on
- Doubles play only.
